WIZBALL
ocean

For many years, Wiz and his fantastic cat lived happily in brightly coloured Wizworld. All was not well however as a malevolent force has discovered this vista and intended to stamp out brilliance once and for all. The evil Zark and his horrible sprites have moved in to eliminate the spectrum and render all landscapes drab and grey. So jump in your transporter and with the help of your faithful servant Catelite restore Wizworld to its former glory.

Collect icons for special effects as you manoeuvre to shake off the alien forces. Stunning graphics create the mood for a thrilling and compulsive game with hordes of hidden features and extra controls.
